Annie Get Your Gun

Book by Herbert

Irving Berlin's Music . . . Incomparable Annie Oakley . . . the Stars and Open Air of Galveston Island State Park . . . It's a bullseye!

The greatest box office success of Irving Berlin's fantastic career plays the giant stage of Mary Moody Northern Amphitheatre on alternate evenings. The exciting musical comedy that originally played on Broadway for 1,147 performances has everything. Songs that America took to heart. Imaginative sets and costumes. Colorful and exciting choreography. And an exuberant, talented company of over 100 singing and dancing to their hearts' delight.

The fabled exploits of the determined, sharp-shooting female from the backwoods of Ohio are drenched in songs you'll be singing for weeks after the show. Berlin's great music was never more enjoyable than in the great outdoors and under the stars of Galveston Island State Park.
